The above referenced IFB is hereby amended and clarified to include the following revisions to the solicitation documents:

The due date has been changed to **August 9, 2016 at 2:00 p.m.**

1. Please provide manufacturer item numbers and/or detailed specifications for items in lot 1, lot 2, lot 8, lot 10, and lot 13. With no fabrics being listed, the department could receive the most inexpensive items possible from bidders so that low price can win.

R: Lot 1: 100% polyester;

Lot 2: 65/35% polyester/cotton blend Tactical Style;

Lot 8: 100% polyester single breasted 4 pocket;

Lot 10: Line 1: Sam Browne LH617-RHT-SIL or LH617-RHT-GLD, Line 2: should be included with belt in Line 1, Line 4: polyester/cotton blend, Line 5: 100% polyester;

Lot 13: all fabrics are included on each line except Line 13: polyester/cotton blend

See attached list for current uniforms.

2. Please specify decorations and alterations required for items in lot 1, lot 2, lot 3, lot 4, and lot 8.

R: Lot 1 – Departmental patches, service stripes, pants hemmed and waist adjusted in or out.

Lot 2 – Departmental patches, Embroidery of the NSO badge (silver and gold), sewing on of name tags, pants hemmed and waist adjusted in or out.

Lot 3 - Embroidery of the NSO badge (silver and gold) or Security Threat Unit Lettering.

Lot 4 - Departmental patches, Embroidery of the NSO badge (silver and gold).

Lot 8 - Departmental patches, alterations of the jacket, to include, width, length, and sleeve length, pants hemmed and waist adjusted in or out.

3. Does the department have any say in the outcome since they will not receive actual product they are looking for?

R: Sheriff will have the final decision

4. All manufacturers have a little different shades and weaves of navy. Is the department willing to mix current shades and weaves with new?

R: NSO does not desire vendors to bid two different brands for a single uniform, e.g., pants cannot be Flying Cross and shirt be Elbeco.

City of NORFOLK

5. Does the department need to see samples so that they can be deemed acceptable or not for the bid?

R: The City shall contact the apparent low bidder if samples are required.

6. Please confirm the estimated number of oversized garments is the same as the number of regular sizes.

R: The quantities are for the total number of uniforms to be ordered.

7. Please confirm whether there are any additional alterations required for re-altering/repair mentioned in 3d, other than the alterations listed in Lot 16.

R: Alteration to the waist if not expandable.

All other provisions of the IFB shall remain unchanged. The provisions, herein, shall become part of the IFB package, and bidder shall acknowledge receipt of the addendum by signing in the space provided below and returning it with your proposal.
